## SKI PANTS SIDE ZIP

Our Ski Pants Side Zip is designed to meet the demands of all winter sports enthusiasts. These high-performance skipants are crafted from light padded 2L WP stretch fabric, offering a perfect balance of warmth, flexibility, and protection. With a WP 10,000/10,000 rating, they ensure superior waterproofing and breathability, keeping you both dry and comfortable in the harshest of conditions. The fully taped seams provides an additional barrier against moisture, while the full side zips allow for easy on-and-off and ventilation adjustments on the go.
